Social Studies

Competency Goal 5: The learner will understand the relationship between people and geography in various communities.

5.03 - Compare and contrast the physical features of communities and regions.

5.06 - Identify and describe the people, vegetation, and animal life specific to certain regions and describe their interdependence.

While teaching the students about the different regions of North Carolina, students will create a commercial to advertise and “entice” people to vacation in North Carolina. They can choose to advertise for one region, or for the entire state (including all regions). They will create a musical jingle performance and perform these commercials. We will record the commercials and for us to view after everyone has recorded their commercials.
